

#1174

15G Aramid & Stainless Steel
Black Co-Polymer Fully
Coated Palm with Black
Sandy-Foam Co-Polymer
Coating, 15" Length
(ANSI CUT A5)

- /// Moderate cut protection for safety work
- /// Proprietary Co-Polymer compound:
Protection from a broad range of chemical hazards
- /// Excellent grip when handling very oily parts that prevents risk from dropping object and reduce muscle fatigue
- /// Great durability for extended product lifespan
- /// EU & FDA Compliance:
Complies with EU & FDA regulations for food contact
- /// 15 Gauge seamless knit design:
Added comfort and flexibility

APPLICATIONS

- Chemical Manufacturing
- Chemical Sampling
- Metal Surface Treatment
- Aviation Refueling
- Chemical Transportation
- Degrease Components
- Maintenance
- Food Processing
- Cleaning & Waste water treatment

TECHNICAL DATA

Material	Aramid, Stainless Steel, Co-Polymer
Coating	Co-Polymer
Color	Liner: Yellow Coating: Black
Size	S-4XL
Packing	6 Pair per Polybag, 4 Dozen per Case
COO	China

PERFORMANCE DATA

847-622-0001
