18G Hi-Vis Yellow HDPE + Stainless Steel Liner Black Sandy-Foam Nitrile Palm Coated (ANSI CUT A8) with Reinforced Thumb Saddle Touch Screen Compatible

APPLICATIONS

Automotive

Metal Handling

General Assembly of Oily Parts

Machine Operation

- 18G seamless liner with HDPE + Stainless Steel is light weight and thin, provides excellent cut resistance and durability
- Sandy-Foam nitrile palm coating provides great grip in wet, dry or oily applications
- Nitrile reinforced thumb saddle prolongs wear
- Touchscreen compatible to allow the user to operate a touch screen phone or device without removing gloves
- Hi-Vis yellow color added for enhanced visibility

TECHNICAL DATA

Material	Engineered HDPE, Stainless Steel Nitrile
Coating	Nitrile
Knit Gauge	18 Gauge
Size	XS-2XL
Packing	1 Dozen per Package, 6 Dozen per Case
COO	China

PERFORMANCE DATA

ANSI/ISEA 105

EN388

4X42F
