Biobased Formula Seal:

Lite'n Foamy Citrus Fresh & Cranberry Ice is certified by a third party to contain 88% bio-based material. The testing was performed by an outside, USDA approved, laboratory to insure the bio-based content. The bio-based seal, found on product labels and literature, allows end users to easily identify the biobased content in each BioRenewables product. This seal guarantees the percentage of ingredients that are made from renewable resources.
