

**#1971A**

Quickly cuts through grease, oil, and grime on metal parts.

- Powerful, Fast-Acting Degreaser – Quickly cuts through grease, oil, and grime on metal parts.
- Precision Aerosol Spray – Reaches tight spaces and hard-to-clean components with ease.
- Quick-Drying, No Residue Formula – Evaporates fast and leaves parts clean and ready for use.
- Non-Chlorinated & Low Odor – Won't contaminate waste oil and is more comfortable to use in shop environments.

#1971A- Multi-Purpose Solvent 14oz, 24/cs

Ideal For:

- Manufacturing lines and repair shops
- Automotive and heavy equipment servicing
- Metal fabrication and precision cleaning
- Electrical/electronics cleaning in confined areas
- Facility and industrial maintenance
