

WE HAVE THE SOLUTION.

BTF® Chlor-Tab® sanitizes bar and restaurant glassware. The easy-to-use pre-measured tablet meets health codes with only 1 tablet per standard bar sink. Chlor-Tab® is essential for getting a beer ready glass each and every time!

- EPA Registered, FDA Approved
- Includes Water Conditioning Chemicals - no need for additional mineral solvent
- Also cleans yogurt, shake, slush, and other soft-serve equipment
- Properly cleaned glassware maximizes your draft beer profits!
