

# Tsunami

A Surge of 60-Day Protection

## 60 days of fragrance

Almost 3x more fragrance than competitive screens

## No mounting – designed to lean upright in most urinals

- o Faster installation and removal
- o No suction cups, less waste

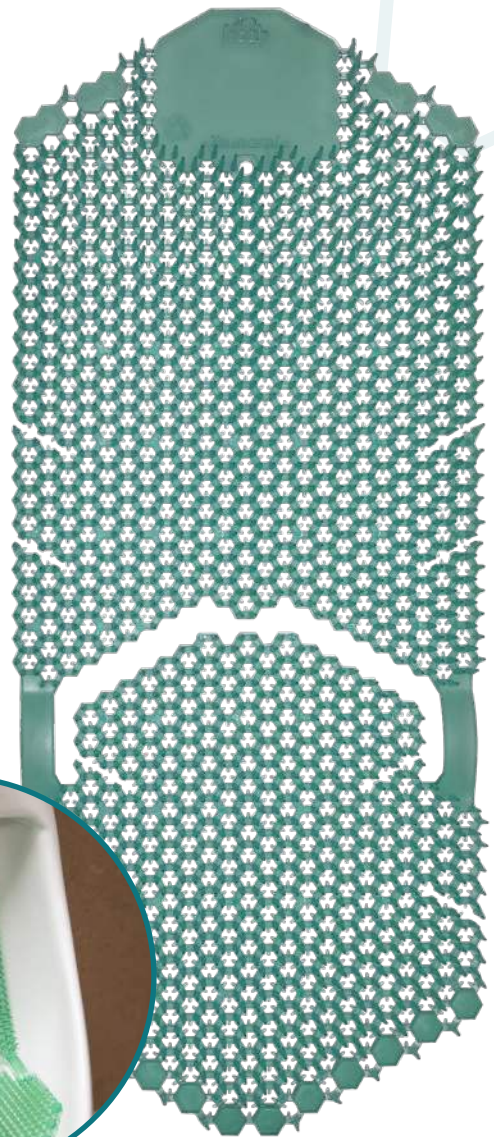

## Double-sided

- o No installation errors
- o Virtually eliminates urine splash on either side

## As always:

- o Beneficial bacteria consume the source of odors
- o Indicator date tabs remind when to replace
- o Patented fragrance load - no one freshens stronger
