

PRODUCT SPECIFICATIONS REPORT

#75 Non-Flammable Brake Cleaner is a brake cleaner that removes brake fluid, grease, oil and dirt from brake parts while eliminating the dangers of starting a fire or depleting the ozone. Our Non-Flammable Brake Cleaner can be used on brake linings, disc pads, drums, cylinders and springs. It dries quickly and leaves no residue, without disassembly.

NON-FLAMMABLE BRAKE CLEANER

PROD. #75

Maintenance – Brake Cleaner

FEATURES BENEFITS

Professional strength
Superior performance
Dissolves and removes oil, dirt and other contaminants
Powerful blasting spray

DIRECTIONS

Use without extension tube to flood surfaces and with extension tube to pinpoint spray. Do not spray on aluminum parts, hot or warm surfaces.

1. Protect rubber and plastic parts from spray.
2. Hold upright and keep actuator pointed to dot on valve cup.
3. Spray brake parts liberally and allow to run off.
4. Allow to air dry or use a soft wiper.
5. Repeat if necessary.
