

FREEZER CLEAN™

Cleaner-Degreaser for Cold Rooms, Freezers and Refrigerators

A high quality cleaner-degreaser formulated for use in freezers, cold rooms, refrigerators and other low temperature areas. Designed to prevent the formation of ice on floors while providing excellent cleaning performance against grease, oil, fat, dirt and grime. Contains a powerful blend of solvents and surfactants for rapid soil penetration and removal. Leaves surfaces thoroughly clean.

Directions for Use

This product should be used at full strength or diluted no more than 1:1 with hot water. Do not overdilute as solutions may freeze on cold surfaces. Apply solution with a mop, sponge or rag. Scrub surfaces to improve soil removal. Allow several minutes dwell time to penetrate soils, then remove solution and soils with a dry mop or rag. Do not rinse surfaces with water--allow to air dry.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's can be downloaded from www.crown-chem.com.

Technical Specifications

Appearance	Blue Liquid
Odor	Lemon
pH (1% solution, 22°C)	<11.5
Foaming	Moderate
Flash Point	>200°F
Density (lbs/gal, 22°C)	8.60 ±0.1
Stability Range	-20-100°F
Alkalinity (as Na ₂ O)	None
Solubility (in H ₂ O, 22°C)	100%
Phosphate Content (as P)	None

Product Number

19841

Packaging

4x1 gal. case
