

Universal Sorbents

Soak up oil, water, and petroleum products quickly and safely, in lightweight and heavy weight options to fit any job. These pads and rolls absorb at an 11:1 ratio, compared to 1:1 for standard oil absorbent clay, meaning less mess, less dust, and less weight to dispose of.

Use them to:

- Wipe oil or hydraulic fluid from machines and lift trucks
- Cover floor drains to prevent contamination from spills
- Place under oil drums or pumps to catch spills
- Keep work areas clean and slip hazards under control

Pads and Covers

Item #	Size	Description	Capacity	QTY	UM
51-200	15"x18"	Light Weight Pads	14.75 Gal/100 pads	200/bag	Bag

52	34"x100'	Adhesive Floor Runner Mat	21 Gal/roll		Roll

#51DRUM

Oil Only Sorbents

#50

#50-150

Absorbs oil at an 11:1 ratio, versus the typical 1:1 for standard absorbents, meaning less mess, less dust, and less weight to dispose of.

Use it to:

- Pull oil from drains and storage tanks, leaving water behind
- Remove oil from coolant reservoirs to keep coolant contamination-free
- Wipe up oil or hydraulic fluid from machines and lift trucks
- Protect floor drains from spills

Item #	Size	Description	Capacity	QTY	UM
50	15"x18"	Oil Only Heavyweight Absorbent Pads	24 Gal/bag	100/bag	Bag
50-150	30" x 150'	Oil Only Absorbent Pad Roll (Perforated)	46 Gal/roll		Roll

Why Choose 1st Ayd:

- Most orders ship same day
- Effective products
- Cost savings vs big box suppliers

Granular Sorbents

Scan Here to View Our Website

Granular absorbents are loose, pourable materials designed to quickly absorb oil, water, chemicals, and other spills, helping reduce slipping hazards and making cleanup easier.

Where to Use:

- ✓ Automotive Repair
- ✓ Manufacturing
- ✓ Facilities
- ✓ Service Stations
- ✓ Schools
- ✓ Home/Garage
- ✓ Food Processing
