

SCRUB PADS & SPONGES

Green Scrubbing Pads **BEST SELLER!**

Great for food processing plants. Quickly removes baked on food and grime from grills, ovens, and food processing equipment. Guaranteed for a variety of heavy-duty cleaning jobs. Durable, synthetic fibers are crimped and heat set creating a strong web for heavy usage—a great alternative to scrapers, steel wool, and metal sponges. Resisting degradation from exposure to hot water, detergents, and cleaning chemicals, this scrubbing pad will make quick work of any task.
