1515-55	Vacate RTU Non-Selective Weed Killer		Drum

#1514D 2 Gallon Poly Sprayer

**VOC
Compliant**

#1505A Triple Threat Foaming Selective Weed Killer

Triple Threat™ Foaming Selective Herbicide is a powerful selective concentrated herbicide with no residual aerosol. It combines MCPP, 2,4-D and 2,4-DP to provide complete broadleaf weed control. It will not harm desired grasses and turf, making it ideal for golf courses, lawns and parks. Inverted trigger and foaming formula ensures visibility and precise application. VOC compliant.

Item #	Description	QTY	UM
1501A	Triple Threat Foaming Selective	12/CS	20 oz

**VOC
Compliant**

#1518 Banish Non-Selective Weed Killer Concentrate

Banish is a VOC compliant, water-based total-kill herbicide. Strong enough to eliminate hard-to-kill weeds. This is a non-selective herbicide with year-long residual control. Mix with water per packaging instructions. Use in non-cropland areas such as parking lots, fence rows, storage yards, railroad sidings, tank farms and more. Non-selective, total kill, annual residual weed control
